i. Operational Review

The Company's non-consolidated revenue in 2019 was NT\$11.4 billion, the consolidated revenue was NT\$313.2 billion, representing an increase of 6.76% compared to NT\$293.3 billion in the previous year, and the net income attributed to owners of the Company was NT\$11.8 billion, an increase of 10.46% compared to NT\$10.7 billion in the previous year. (Schedule 1 and Schedule 1-1)

(1) Operating revenue

The Company's consolidated revenue was generated from its two core businesses: manufacturing of shoes, and retailing of sporting goods and brand licensing business, accounting for 59% and 41% of consolidated revenue for 2019 respectively. (Schedule 2)

The Company's consolidated revenue in 2019 increased by NT\$19.9 billion compared with the previous year, primarily due to the steady development of the Company's footwear manufacturing business, resulting from the increase in average selling price per pair of footwear products, while retailing of sporting goods and brand licensing business benefited from the expansion of its sales network and growth of same-store sales, leading to relatively strong business growth.

(2) Income from operations

Attributed to the continuous improvement in the performance of sporting goods retailing and brand licensing business, the Company's consolidated gross profit for 2019 was NT\$79.5 billion, up 5.36% from the NT\$75.5 billion in the previous year. The consolidated gross profit margin in 2019 dropped slightly from 25.7% in the previous year to 25.4%, primarily due to a combination of increased product complexity of footwear manufacturing business, customers' growing demand for flexible production set up such as reallocate and shift production facilities. It's also related to the Company's investments in manufacturing optimization for its sustainability, growth including higher level of automation and SAP ERP system implementation, which resulted in temporary low efficiencies. Time and resources are required to make further adjustments and achieve greater production efficiency.

Because the Company continued to strengthen its expense control, the consolidated operating expenses ratio roughly remained stable as that in 2018. The

Company's consolidated net operating income was NT\$14 billion, an increase of 1.02% from NT\$13.8 billion in the previous year. Consolidated net operating income margin in 2019 decreased from 4.7% in the previous year to 4.5%.

(3) Net income and Earnings per share

The net income attributable to owners of the Company in 2019 was NT\$11.8 billion, which was slightly increased by NT\$11 billion compared to the previous year, resulting in EPS of NT\$4.01 which was an increase of NT\$0.38 compared to NT\$3.63 in the previous year.

Looking forward to 2020, initially, a soft recovery of the global economy was anticipated, given the slowing of U.S.—China trade dispute and continuous easing of monetary policies by major countries. However, the outbreak of the novel coronavirus (COVID-19) epidemic in the beginning of 2020. In response, China adopted a series of strict traffic and crowd control measures such as suspending industrial operations and locking down its cities, to prevent the spread of the epidemic. These measures not only impacted China's domestic demands and exports, but also spilled over to the operation of the manufacturing supply chains, bringing uncertainties to the performance of the global economy as the COVID-19 spread around the world. Issues concerning the progress of U.S.—China trade agreements, the U.S. Presidential election, and climate change also influence the development of the international situation. Fierce industrial competition, rapid changes in consumption patterns, and rising labor costs, among other factors have introduced a number of variables in the business environments.

Despite the challenges arising from the major public health crises that garnered international attention in early 2020, the Company remains confident in the long-term development of its industry, believing that people will be more aware of the importance of health, safety and sports life. i. Consolidated Financial Statements and Independent Auditors' Report

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders Pou Chen Corporation

Opinion

We have audited the accompanying consolidated financial statements of Pou Chen Corporation (the "Company") and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2019 and 2018, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the "consolidated financial statements").

In our opinion, based on our audits and the report of other auditors (refer to the Other Matter paragraph), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2019 and 2018, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion, based on our audits and the report of other auditors.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2019. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. The following are the key audit matters of the consolidated financial statements of the Group as of and for the year ended December 31, 2019.

Write-down of Inventory

As of December 31, 2019, the carrying amount of finished goods for retail included in the inventories was \$34,533,482 thousand. For the related disclosures, refer to Notes 4, 5 and 11 to the consolidated financial statements

The determination of net realizable value required an evaluation on the condition and quality of product market sales and assessment of obsolete and slow-moving inventory; the evaluation involved significant judgments and estimations made by management. Therefore, we considered write-down of inventory as a key audit matter of the 2019 consolidated financial statements.

We obtained the inventory valuation sheets prepared by management, selected samples of estimated selling prices and traced them to the recent sales records to assess the rationale of the net realizable value determined by management. In addition, we selected samples from the inventory aging report prepared by management to verify the correctness of its classification and the reasonableness of the amount of inventory write-downs.

Impairment of Goodwill

As of December 31, 2019, goodwill allocated to the manufacture and sale of footwear of the Group amounted to \$5,498,182 thousand and \$2,332,954 thousand, respectively. For related disclosures, refer to Notes 4, 5 and 19 to the consolidated financial statements.

Management evaluated the impairment of the assets above based on their recoverable amount. The recoverable amount is determined according to the forecast of the trading performance and future cash flows and the discount rate. The test of impairment involved significant judgments and estimations made by management. As a result, we considered the impairment of goodwill as a key audit matter of the 2019 consolidated financial statements.

Our audit procedures in response to this key audit matter were to evaluate the reasonableness of the significant assumptions, evaluation model, and basic information of the impairment test used by management and to recalculate the impairment.

Other Matter

The Group's investments in Ruen Chen Investment Holding Co., Ltd. and Nan Shan Life Insurance Co., Ltd were accounted for by using the equity method based on its financial statements which were audited by other auditors. Our opinion, insofar as it relates to the Group's investments in Ruen Chen Investment Holding Co., Ltd., and Nan Shan Life Insurance Co., Ltd. are based solely on the report of other auditors. As of December 31, 2019 and 2018, the carrying amounts of the investment in Ruen Chen Investment Holding Co., Ltd. were \$49,612,043 thousand and \$8,403,275 thousand which constituted 13.67% and 2.76% of the Group's consolidated total assets, respectively. For the years ended December 31, 2019 and 2018, the profit of the associate were \$5,766,591 thousand and \$4,491,495 thousand which constituted 26.79% and 22.17% of the income which the Group recognized before income tax, respectively. As of December 31, 2019, the carrying amount of the investment in Nan Shan Life Insurance Co., Ltd. was \$548,783 thousand which constituted 0.15% of the Group's consolidated total assets. For the years ended December 31, 2019, the profit of the associate was \$22,406 thousand which constituted 0.10% of the income which the Group recognized before income tax.

We have also audited the parent company only financial statements of Pou Chen Corporation as of and for the years ended December 31, 2019 and 2018 on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2019 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ker-Chang Wu and Kenny Hong.

ii. Separate Financial Statements and Independent Auditors' Report

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders Pou Chen Corporation

Opinion

We have audited the accompanying financial statements of Pou Chen Corporation (the "Company"), which comprise the balance sheets as of December 31, 2019 and 2018, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, based on our audits and the report of other auditors (refer to the Other Matter paragraph), the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2019 and 2018, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion based on our audits and the report of other auditors.

Key Audit Matter

Key audit matter is a matter that, in our professional judgment, was of most significance in our audit of the financial statements for the year ended December 31, 2019. This matter was addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter. Below is the key audit matter of the financial statements for the year ended December 31, 2019.

Impairment Assessment on Goodwill - Investments Accounted for Using Equity Method

As described in Notes 4, 5, 13 and Table 7 to the financial statements, any excess of investment cost over the fair value of the investee's net identifiable assets is recognized as goodwill. Management performs impairment test of goodwill in accordance with IAS 36.

Management evaluates impairment of an asset by estimating the recoverable amount of such an asset based on forecast sales, estimated future cash flows, and discount rate. Impairment test involves the management's critical estimations and judgments. Therefore, we considered impairment assessment of goodwill of investments accounted for using equity method as a key audit matter for the year ended December 31, 2019.

For this key audit matter, we evaluated the reasonableness of the significant assumptions, the basis of the evaluation model, the rationality of the basic information, and the amount of impairment.

Other Matter

Certain investments accounted for using the equity method in the Company's standalone financial statements for the year ended December 31, 2019 and 2018 were based on financial statements audited by other independent auditors. Our opinion, insofar as it relates to the Company's investments in certain corporation, is based solely on the report of other auditors. As of December 31, 2019 and 2018, the carrying amounts of the investments were \$50,159,779 thousand and \$8,403,275 thousand which constituted 31.03% and 7.32% of the Company's total assets, respectively. For the years ended December 31, 2019 and 2018, the profit of the associate which the Company recognized were \$5,788,953 thousand and \$4,491,495 thousand which constituted 46.70% and 38.69% of the income before income tax, respectively.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Annual General Shareholders' Meeting

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2019 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ker-Chang Wu and Kenny Hong.
